IMPORTANT TERMS AND CONCEPTS

The following definitions explain the difference between the NAME of a person and the title of a person.

NAME: originally, a spoken quality or characteristic identified the person; a word of personal identification. Retains its ORIGINAL pronunciation when spoken in any language.

TITLE: a word giving information about a person's position of authority, family relation-ship, or job position.

This version of the New Testament uses the following ORIGINAL pronunciation, which gives greater accuracy and deeper insight into the ORIGINAL meaning first written: The title MOST HIGH MIGHTY ONE is YL instead of God.

The NAME of YL of Heaven and **Earth** is **YHVH** instead of its erroneous translation into the titles of God and LORD.

The NAME of the Seed of **YHVH** manifest in the flesh as the Promised Son and Savior is **YHVHYSH** instead of the Greek appointed name, Jesus.

The title meaning ANOINTED BY **YHVH** to Save this Creation is **MSHYCH** instead of Christ.

YHVH - YL is the ORIGINAL Hebrew pronunciation of the Name and title, Self-Existing Eternal One, Most High and Mighty. Used instead of LORD God Almighty.

Mashiyach: **YHVHYSH** is the ORIGINAL Hebrew pronunciation of the Name and title, Anointed One of **YHVH** manifest in the flesh as Savior. Used instead of Christ Jesus.

Following are the definitions of the NAMES and titles being used. The Scriptures referred to in the Preface are all from the RESTORATION OF THE ORIGINAL SACRED NAME BIBLE available from Missionary Dispensary Bible Research Pilgrim Acres Route 1, Box 539 Emory, Texas 75540.

NAMES USED

YHVH: - pronounced Ya Va (“a” as in far), which is the oldest and most correct English pronunciation of the NAME of the GOD/YL of Sacred Scripture.

The English PHONETIC spelling of the Tetragrammaton {**YHVH**} which is the original written Hebrew word for the NAME of the YL of Sacred Scripture as revealed to Moses in **Exodus 3 13 :14** “and Moses said unto **YHVH**, Behold, when I come unto the children of Israel, and shall say unto them, The YL of your fathers that sent me unto you; and they shall say to Me, What is His name? What shall I say unto them?” And **YHVH** said unto Moses, “I AM THAT I AM” (English letters HYH): and He said, “Thus shall thou say unto the children of Israel, **YHVH** hath sent me unto you.”

Derived from the Hebrew verbs, “**HYH**” and “**YHVH**” which both express existence; “**HYH**” - to exist, to be; “**YHVH**” - to breathe, to be.

The NAME by which the YL of Sacred Scripture identified Himself.

Isaac 42: 8...“I am **YHVH**, that is My NAME”.

Therefore, YH - VH translates...I AM the Self Existing Eternal One.

Found at least 6,825 times in the original Hebrew Old Testament, but when translated into other languages the NAME was omitted and replaced by titles.

The original NAME of the YL of Sacred Scripture is of utmost importance because **YHVH** declares in **Isaac 52: 6**.

“...My people shall know My Name.”

YHVHYSH: - pronounced in English: Ya Va Yash (a as in far).

- ORIGINAL Hebrew NAME used to identify **YHVH** as Savior.

Isaac 43: 1: “I am **YHVH**, and there is none besides Me ready to save”.

Isaac 45: 21: ”...And there is none else that is **YL** be sides **ME!** An **YL**, righteous and ready to save, there is none besides **ME!**”

1 Corinthians 8:6: ”yet for us there is but one **YL**, the Father, from whom all things came and for whom we live; and there is but one **Mashiyach**, **YHVHYSH**, through whom all things cam and through whom we live.

Colossians 1:15 – 17: He {**YHVHYSH**} is the image of the invisible **YL**, the first-born over all creation. For by Him all things were created: things in Heaven and on **earth**, visible and invisible, whether thrones or powers or rulers or authorities; all things were created by Him and for Him. He is before all things, and in Him all things **HOLD TOGETHER**.

Hebrews 1: 13: ”The Son is the radiance of **YHVH**’s glory and the exact representation of His being, sustaining all things by his powerful Word. After He had provided purification for sins, He sat down at the right hand of the Majesty in Heaven.

The ORIGINAL Hebrew NAME of the SEED of **YHVH**, planted by **YHVH** into mortal flesh to be the Son, and anointed by **YHVH** to SAVE this (His) Creation from its mortality and sinful destruction to immortality and membership into **YHVH**’s eternal Family; **John 10: 30...**”I {Seed/Son of **YHVH**} and the Father are One”.

In: **John 5: 43...**the Seed/Son of **YHVH** stated, “I have come in the NAME of My Father,” The Father’s NAME is **YHVH**. The Hebrew word for Save and Savior is **YSH**. The Son’s NAME is...

YH - VH - YSH translates **YHVH** - Saves and is Savior

Uncreated - having neither beginning nor end; SELF EXISTING.

Exodus 3: 13: 14: And Moses said unto **YHVH**, “Behold, when I come unto the children of Israel, and shall say unto them, the **YL** of your fathers hath sent me unto you; and they shall say unto me, What is His name? What shall I say to them?”

AND **YHVH** said unto Moses, “I AM THAT I AM: and he said, “Thus shalt thou say unto the children of Israel, I AM sent me to you”.

“I AM” proclaims self-existence. **YHVH** is uncreated.

**UNCREATED MAGNETISM:
YHVH is Self Existing MAGNETISM.**

UNCREATED MAGNETISM is the creative force of **YHVH** organizing and holding things together according to His Will. UNCREATED has neither beginning nor end. UNCREATED is the Source of the created. Therefore, **YHVH** is the Source of the created magnetism by which His (this) Creation is organized and held together.

UNCREATED MAGNETISM is the creative force of **YHVH** establishing (set up) Creation and keeping it together to accomplish its ordained purpose. The following Scriptures give evidence of the creative organizational holding force of **YHVH**.

Isaac 45: 18: ”For thus saith **YHVH**, who created the Heaven, **YL** Himself who fashioned the **earth** and made it, Himself established it, not a waste created He in it, to be dwelt in, He fashioned it, I am **YHVH** and there is none else”.

Jeremiah 10: 12: ”He that made the **earth** by His power, that established the world by His wisdom, and by His understanding stretched out the Heavens”.

UNCREATED LIGHT:

YHVH is Self Existing Light.

UNCREATED LIGHT is the raw material from which everything is created.

UNCREATED has neither beginning nor end. UNCREATED is the Source of the created. Therefore, **YHVH** is the Source of all created things.

LIGHT is the creative substance “of Himself” out-flowing from **YHVH** when He speaks to create.

James 1: 17: ”Every good giving, and every perfect gift is from above, coming down from the Father of Lights, with Whom there is no alternation, nor shadow cast by turning”.

1 John 1: 5: ”And this is the message which we have heard from Him, and are reporting unto you, that **YHVH** is Light, and in Him is no darkness at all”.

Isaac 60: 1: 3: ”Arise, shine, for thy light hath come, and the glory of **YHVH** on thee hath beamed; For lo, darkness covereth the **earth**, and deep gloom the peoples, but on the beameth **YHVH**, and His glory on thee is seen. So shall nations come to thy light, and kings to the brightness of thy dawning”.

Revelation 21: 23: ”And the city hath no need of the **sun** nor of the moon, that they should shine therein; for the glory of **YHVH** illumined it, and the lamp (light) thereof was the Lamb”.

CREATION

HOW DID **YHVH** WILL THIS CREATION INTO EXISTENCE?

Revelation 4: 11: "Worthy art Thou, O **YHVH** our **YL**, to receive the glory, and the honour, and the power: because Thou didst create all things, and by reason of Thy Will they were, and were created".

To create is to organize and hold raw material together in such a way that it continues as designed for the purpose it was created.

YHVH creates by speaking the Words that express the decisions of His Will. **YHVH** spoke this (His) Creation into existence with the Words that expressed His Will regarding it.

YHVH creates with the Words He speaks because they are both the expression of His Will and the means of fulfilling His Will.

YHVH's Words are the means of fulfilling His Will because they "form" the exhalation of His Breath into the objects of His Will.

The exhalation of **YHVH's** Breath is the outflow of His **LIGHT** and His **MAGNETISM**.

YHVH's **MAGNETISM** is the creative force organizing the raw materials of **LIGHT** and holding them together according to His Will to accomplish His plan and purpose in this (His) Creation.

Genesis 1: 3: "And **YL** said, Light be, and light was".

Psalms 33: 6: 9: "By the word of **YHVH** the Heavens were made, and by the spirit (breath) of His mouth, all their host: For He spake and it was, He commanded and it stood forth".

YHVH creates by speaking Words that form and exhale His Breath containing the **MAGNETISM** and **LIGHT** to create and establish what has been spoken.

The **WORDS** of **YHVH**
both express His Will and outflow of His **MAGNETISM** and **LIGHT**,
TRANSFORMING
the **UNCREATED MAGNETISM** and **UNCREATED LIGHT** “of Himself”
into
the **CREATED** physical forms He designed to be this (His) Creation.

The **WORDS** of **YHVH**
are
THE CHAMBER
through which
is **UNCREATED MAGNETISM** and **LIGHT**
are transformed
into the Created magnetism and Light of this (His) Creation.

WHAT IS THIS CREATION COMPOSED OF?

This (His) Creation is composed of the Magnetism and Light **YHVH** created “of Himself” for the purpose of its specific design.

This (His) Creation is composed of **YHVH** - ordained Created Magnetism and Created Light.

HOW IS THIS (HIS) CREATION SUSTAINED?

This (His) Creation runs on the very components it was created from as it cooperates with them in the Overall Plan established by **YHVH**.

WHAT IS CREATED MAGNETISM?

Created Magnetism is the physical manifestation into the Creation of **YHVH**'s UNCREATED MAGNETISM.

YHVH is UNCREATED MAGNETISM, eternally and perfectly organized.

YHVH's UNCREATED MAGNETISM spoken through the chamber of His Words at Creation became the physical Created Magnetism we observe in this (His) Creation as the cement that holds it together.

YHVH is the Source of Created Magnetism by which all Creation is organized and held together.

CREATED MAGNETISM is FORCE.

It is the unseen force organizing and keeping each piece of Creation in its place according to the Will of **YHVH**. It is the governing organizer of this (His) Creation.

It is the evidence of something organized and held together to have purpose. Only when it is not working properly is there evidence of its absence because of the disorganization involved. Lack of organization is lack of created magnetism.

Created Magnetism manifests itself in this (His) Creation as a force, which has the ability to attract or repel. The force of Created Magnetism is observed as “push” or “pull”.

Created Magnetism is measured by the degree and direction of its attraction or repulsion.

Created magnetism is a part of everything created. It is **YHVH**'s spoken Will for everything He created.

WHAT ARE TWO FORMS OF CREATED MAGNETISM?

The two forms of Created Magnetism **YHVH** spoke into existence are South Pole Magnetism and its opposite, North Pole Magnetism.

Because they are opposite, they attract each other. North Pole Magnetism attracts South Pole Magnetism. South Pole Magnetism attracts North Pole Magnetism. Magnetism from the same Poles repel each other. North Pole Magnetism repels North Pole Magnetism. South Pole Magnetism repels South Pole Magnetism.

Different combinations of their attractions and repulsion's accommodate all the necessary organizational and holding patterns of this (His) Creation.

WHAT GOVERNS CREATED MAGNETISM IN THIS CREATION?

YHVH created the **sun** with a dominance of South Pole Magnetism and the **Earth** and Moon with a dominance of North Pole Magnetism.

Therefore, the dominant South Pole Magnetism of the **sun** governs Day, while the dominant North Pole Magnetism of the **Earth** and Moon governs Night.

During Day, the closeness of the **sun** to that part of the **earth** indicates the **sun**'s dominance of South Pole Magnetism.

During the Night, the distance of the **sun** away from the **earth** allows the North Pole Magnetism of earth to dominate.

Although one magnetism may dominate at a particular time, both magnetism's must be present to some degree.

The Created magnetism of the **sun** and **earth** are the manifestation of **YHVH**'s Will to organize and keep the physical Creation according to His Overall Plan: Rhythm.

WHAT IS RHYTHM?

Rhythm is the assigned pattern something needs to follow in order to function correctly and remain in **YHVH**'s Will.

Rhythm is part of Created Magnetism. **CREATED MAGNETISM ASSIGNS RHYTHM**. Created magnetism is the force organizing everything and holding it together individually and collectively so it all fits together into the **OVERALL Rhythm YHVH** assigned to this (His) Creation.

Rhythm is both the **OVERALL** pattern assigned to this (His) Creation of which everything is a part, and the **INDIVIDUAL** pattern assigned to each part because each part needs to fit into the **OVERALL** pattern in order to serve its purpose.

Overall Rhythm is the **ORIGINAL** blueprint of the entire Creation as a whole. Individual Rhythm is the **ORIGINAL** blueprint of each component of Creation.

When something functions according to its assigned pattern (or Rhythm), it is in tune with **YHVH**'s Creation and therefore, in tune with His Will.

WHAT IS CREATED LIGHT?

Created Light is the physical manifestation into this Creation of YHVH's UNCREATED LIGHT. Created Light is the raw material "of YHVH" from which everything is created. Created Light is ENERGY.

YHVH created the **earth**, its environment, and man from the raw material of Created Light Energy.

However, it is YHVH's Created Magnetism that organized and holds the Created Light Energy together to be as He willed.

WHAT ARE THE COMPONENTS OF CREATED LIGHT ENERGY?

Created Light Energy can be separated into two small particles of energy. The smallest particle of Created Light Energy is the anion. the second smallest particle is the cation. Created Light Energy is the result of the interaction of anions and cations.

The different arrangements of anions and cations arranged and held together by magnetism not only create everything that exists, but sustains everything that exists.

HOW DO ANIONS AND CATIONS SUSTAIN EVERYTHING THAT EXISTS?

Anions spin in a clockwise direction. Cations spin in a counter-clockwise direction. When they come in contact with each other through the force of Magnetism, their spins resist each other and produce energy.

This contact with each other is called RESISTANCE. When anions and cations are put together into an arrangement by Magnetism, the RESISTANCE created reflects the sum total of the activity of the anions and cations. The display of the activity of the RESISTANCE of anions and cations is FREQUENCY. FREQUENCY is the vibration rate of something according to the arrangement of its anions and cations, evidenced by a wave or pulse that can be seen or measured.

Because anions and cations are held together by Magnetism, they can be disorganized by a greater Magnetism and then reorganized according to the greater Magnetism. Because this process changes the arrangement of anions and cations, it changes the RESISTANCE, which changes the FREQUENCY.

WHAT ARE THE THREE DIFFERENT FORMS OF CREATED LIGHT ENERGY?

Created Light Energy was organized and separated into three different FORMS by the Magnetism in the spoken Words of YHVH's Will, and remains so today by the same Created Magnetism.

1) **HEAT** energy...a combination of anions and cations with a dominance of anions.

The three different FORMS of Created Light Energy are:

2) **ELECTRICAL** energy...energy is a balance of anions and cations.

3) **MATTER** energy...energy is a balance of anions and cations.

Everything YHVH created is some combination of **HEAT**, **ELECTRICITY** and **MATTER**. Although the combinations vary, these three FORMS are the raw materials forming all man sees, hears, smells, tastes, and touches.

HOW DOES CREATED LIGHT ENERGY EXIST IN THE ENVIRONMENT?

At Creation, YHVH spoke the dominance of **HEAT** energy and **ELECTRICAL** energy for Day, and the dominance of **MATTER** energy for Night.

Therefore, Day is dominated by anions because it has more **HEAT** energy and **ELECTRICAL** energy than **MATTER** energy

HEAT energy and **ELECTRICAL** energy is concentrated in the **sun**, making it the main source of **HEAT** and **ELECTRICITY**.

HEAT energy and **ELECTRICAL** energy are the more active and exciting FORMS of Created Light Energy.

Night is dominated by cations because it has more **MATTER** energy than either **HEAT** or **ELECTRICAL** energy.

WHAT IS DAY?

Day is part of the OVERALL Rhythm of Creation.

REGARDING CREATED MAGNETISM

The South Pole Magnetism of the **sun** governs the day because of its closeness to that part of the **earth**.

REGARDING CREATED LIGHT

Day is the time **YHVH** designated for the dominance of **HEAT** and **ELECTRICAL** energy. Therefore, day is dominated by anions. During the day bodies rise and stand tall because the anions of the **sun** attract and draw to themselves the anions of the body.

Day is the time when the CREATED PHYSICAL LIGHT ENERGY of **HEAT** and **ELECTRICITY** is directly available from the **sun**.

HEAT and **ELECTRICAL** energy is concentrated in the **sun**, which governs the amount and kind of CREATED PHYSICAL LIGHT ENERGY for Day.

The **sun** is the main source of **HEAT** and **ELECTRICAL** energy.

The **HEAT** and **ELECTRICAL** energy of Day is the more active and exciting part of CREATED PHYSICAL LIGHT ENERGY mainly because it has the South Pole Magnetism related to it.

Day begins at **sunrise** and ends at **sunset**.

WHAT IS NIGHT?

Night is part of the Rhythm of Creation.

REGARDING CREATED MAGNETISM

The North Pole Magnetism of the **earth** governs the Night because the distance of the **sun** away from the earth allows the North Pole Magnetism of the earth to dominate.

REGARDING CREATED LIGHT

Night is the time **YHVH** designated for the dominance of MATTER energy. Night is the time when the CREATED PHYSICAL LIGHT ENERGY of MATTER is directly available. Therefore, Night is dominated by cations. The MATTER Energy of the **earth** attracts and draws to itself, the cations in the body cause it to want to lay down.

Although at night, some indirect **HEAT** and **ELECTRICAL** energy is reflected from the **sun** by the moon and stars, MATTER energy dominates and is directly available. The **Earth**, Moon, and Stars govern the amount and kind of CREATED PHYSICAL LIGHT ENERGY for Night.

MATTER energy is Mineral Energy concentrated in the **earth**. It is solid because it is the slowed down and less active part of CREATED PHYSICAL LIGHT ENERGY. **Earth** is the main source of MATTER energy.

Night begins at **sunset** and ends at **sunrise**.

IS THERE MORE DAY OR NIGHT ENERGY?

The magnetic energies and Light energies of Day and Night balance themselves every 24-hour period, but they do so at different times during that period.

Day and Night are shorter or longer in different parts of the **earth**, depending on angle and distance of location to the **sun**.

WHAT WAS THE PURPOSE OF CREATION AT THIS POINT?

Thus far, all that was created was INORGANIC, without life.

YHVH developed Creation to this point to be the environment for ORGANIC life to exist in and learn from, to eventually become part of the Greater Creation of His Family.

YHVH created ORGANIC from the already created INORGANIC by endowing it with a FORCE that brought it to life, keeping it alive, and allowing it to reproduce after its own kind.

YHVH designed specific forms from the INORGANIC Mineral Energy on **Earth** and endowed them with LIFE FORCE to become the different forms of ORGANIC life in this (His) Creation. All forms of organic LIFE CONTAIN A DEGREE OF **YHVH's** LIFE FORCE.

WHAT IS LIFE FORCE?

LIFE FORCE is **YHVH's** unknown, unseen, life-giving agent He placed within each of His ORGANIC creatures making them a conscience being.

LIFE FORCE is identified by the ability to respire, or breath. There are two distinct degrees of LIFE FORCE.

WHAT ARE THE TWO DISTINCT DEGREES OF LIFE FORCE

IN THIS CREATION?

The LESSER degree of **YHVH's** LIFE FORCE came INDIRECTLY from **YHVH** to His lesser-developed forms. Plants and animals contain INDIRECT LIFE FORCE.

INDIRECT LIFE FORCE is completely physical and solely dependent on the physical environment for its continuance. It enables the mineral form it is in to receive and transmit only Created Energy.

The HIGHER degree of **YHVH's** LIFE FORCE came DIRECTLY from **YHVH** to His most developed form. Only man contains DIRECT LIFE FORCE.

DIRECT LIFE FORCE is more than INDIRECT LIFE FORCE. In addition to the physical aspects of INDIRECT, it also contains the potential from **YHVH** to receive and transmit His UNCREATED Life and Energy, and to eventually become and immortal spiritual being, forever a member of His Eternal Family. DIRECT LIFE FORCE is the result of the Breath of Life **YHVH** breathed DIRECTLY into Adam at his creation.

HOW AND WHY WERE THE PLANTS AND ANIMALS CREATED?

Plants and animals were created COMPLETE by the spoken Words of **YHVH**. They were created with **YHVH**'s INDIRECT LIFE FORCE.

Unlike Adam, plants and animals did not receive their LIFE FORCE DIRECTLY from **YHVH**, but were created with it already in them.

Plants and animals have bodies containing LIFE FORCE dependent on, and limited to their physical environment.

INDIRECT LIFE FORCE in Plants and Animals

1...Contains the ability for plant and animal bodies to take in, process, and use the physical energies of the atmosphere and earth to maintain their structure and renew the energy it runs on.

2...Contains the ability to reproduce after its own kind.

3...Contains a "soul life" that: is conscious only of itself and its physical environment through its five senses.

4...Is programmed by **YHVH** to respond correctly to its environment.

Unlike man, the LIFE FORCE of plants and animals do not contain the ability to think and reason, make decisions, express thoughts through speech, or the ability to know **YHVH** personally, and become a member of His Family.

Plants and animals were created to be part of the learning environment for those **YHVH** endowed with His DIRECT LIFE FORCE.

HOW DID YHVH CREATE MAN?

Genesis 2 7 : "So the **YHVH YL** formed man of the dust of the ground, and breathed in his nostrils the Breath of Life and man became a living Soul".

Paraphrase of **Genesis 2: 7:**

So then **YHVH** formed man's body from the mineral energy of the **earth** and DIRECTLY out-flowed His LIFE FORCE into the body of man to allow him a consciousness of himself, his environment, and his Creator.

YHVH's Breath of Life out-flowed LIFE FORCE into His most developed mineral form to create man.

DIRECT LIFE FORCE in man:

1...contains the ability for man's body to take in, process, and use the physical energies of the atmosphere and **earth** to maintain its structure and renew the energy it runs on.

2...contains the ability to reproduce after its own kind.

3...contains a "soul life" that:

is conscious of itself and its physical environment through its five senses and has the ability to think and reason, make decisions, and express thoughts through speech.

4...contains the potential to know **YHVH** personally through His Creation, His Revelation in **YHVHYSH**, and His Word, to become a member of **YHVH's** Family NOW and FOREVER, to use **YHVH's** Uncreated Energy to accomplish **YHVH's** purposes, and to experience the Spirit and Life of **YHVH** and **YHVHYSH**.

HOW IS LIFE FORCE SUSTAINED?

The length of time the LIFE FORCE remains in the body is conditional on the amount of time the body lasts, which is conditional on the health of the structure and the condition of the energies of atmosphere and **earth**.

Plants and animals live according to their programmed time.

At this time in history, it is possible for man's body to last 120 years.

INDIRECT LIFE FORCE resides in plants and animals only as long as plant or animal structure is able to sustain itself from the physical energies of the atmosphere and **earth**.

DIRECT LIFE FORCE resides in **Earth** born man (without **YHVH**) only as long as his body is able to sustain itself from the physical energies of the atmosphere and the **earth**.

However, DIRECT LIFE FORCE resides in a man's Spirit born from above (in union with **YHVHYSH**) as long as either the body is able to sustain itself from the physical energies of the atmosphere and the **earth**, OR as long as the Uncreated Life and Energy of **YHVH** is available to it.

A man who's spirit is in union with **YHVH**'s Spirit has the potential to receive **YHVH**'s Uncreated Life and Energy to sustain his body.

In every area of his life and at any given moment, he can choose to live by the energies of **YHVH** made available to him in **YHVHYSH**, OR live by the physical energies of his environment.

Man does not die because LIFE FORCE departs. LIFE FORCE departs and man dies because his body breaks down to the point it can no longer function to give expression to the LIFE FORCE within it.

LIFE FORCE comes from **YHVH**, belongs to **YHVH**, and returns to **YHVH** when either the body structure breaks down or the physical energies of the atmosphere and **earth** are no longer available.

LIFE FORCE can never be replaced or supplemented. It needs to be managed efficiently through proper LIFESTYLE.

WHAT KIND OF LIFE FORCE DID WE INHERIT FROM ADAM?

The original LIFE FORCE **YHVH** breathed into Adam allowed Adam direct fellowship with **YHVH** and access to His Uncreated Life and Energy. However, Adam's choice to disobey **YHVH** and eat of the Tree of Knowledge of Good and Evil ended the fellowship and access, leaving Adam totally dependent on the physical environment to sustain his LIFE FORCE.

Because Adam was the first seed of man and he produced after his own kind, each person inherits Adam's Fallen (not Original) LIFE FORCE.

This Fallen LIFE FORCE man is born with is inherited through the seed of one's parents. It is "out of fellowship with **YHVH**" which makes it totally dependent on the physical energies of atmosphere and **earth** for continuance in man's body.

WHERE DOES LIFE FORCE RESIDE IN MAN'S BODY?

LIFE FORCE is in the blood.

YHVH breathed the Original LIFE FORCE into Adam's body through his nostrils and lungs, into his blood.

This Breath from **YHVH** began the respiration process that takes energies from the atmosphere, deposits them in the blood, circulates them throughout the body for processing and use, and then expels the waste energy produced.

WHY DID YHVH CREATE MAN?

Out of His Love, **YHVH** created man to become an eternal member of His Spiritual Family.

YHVH created a mortal man with the potential in his LIFE FORCE to become a spiritual man in an immortal body that will live on forever with **YHVH**.

YHVH's DIRECT Breath that out-flowed the LIFE FORCE into Adam created the potential for the relationship with **YHVH** here on **earth** and forever in Heaven. It is the combination of Adam's body with **YHVH**'s DIRECT FORCE that created the man's spirit.

Through the union of man's spirit of **YHVHYSH**, **YHVH** develops and trains man here on earth to rule and reign with **YHVHYSH**. Adam was the first physical man. **YHVHYSH** is the first spiritual man.

Even though **YHVHYSH** is the Seed of **YHVH**, on **earth** He lived in a created mortal body. However, unlike man, **YHVHYSH**'s created mortal body was in constant union with His Father's Uncreated Life and Energy giving Him the knowledge and ability to live perfectly in His Father's Will.

While on **earth** **YHVH**'s Uncreated Life and Energy was always available to **YHVHYSH**. In every circumstance, **YHVHYSH** chose the Life and Energy of **YHVH** to operate through Him instead of Himself. So also, the man whose spirit is in union with **YHVHYSH**'s Spirit is able to appropriate **YHVH**'s Uncreated Life and Energy as his privilege of choice.

Each choice man makes brings either life or death. In every circumstance man can choose to either make himself available to **YHVH** for the outflow of His Uncreated Life and Energy to himself and others, OR do things in his own capacity, solely based on Created knowledge and strength.

At His Resurrection, **YHVHYSH** received an immortal body that united with **YHVH**'s Uncreated Energy in His Spirit to make **YHVHYSH** immortal and the first member of **YHVH**'s Spiritual Eternal Family. So also it will be with man after he first qualifies to receive **YHVH**'s Uncreated Energy into the spirit of his mortal body, and then he qualifies for immortality to his mortal body.

YHVH's LIFE FORCE + mortal body composed of MATTER = physical man with the potential for YHVH's Uncreated Life and Energy.

YHVH's LIFE FORCE + mortal body composed of MATTER + YHVHYSH's Spirit united with man's spirit = physical man with access to YHVHYSH's Spirit containing YHVH's Uncreated Life and Energy.

YHVH's LIFE FORCE + resurrected mortal body composed of **HEAT** and **ELECTRICITY** + YHVHYSH's Spirit united with human spirit = spiritual man with access to YHVHYSH's Spirit containing YHVH's Uncreated Life and Energy for all eternity.

HOW DOES ONE QUALIFY FOR A RELATIONSHIP WITH YHVH?

First: YHVH draws one to realize the incompleteness of his self-centered existence solely dependent on Created Energy.

Second: YHVH reveals YHVHYSH to one's mind as the Truth of YHVH, the Life of YHVH, and the way to YHVH, which brings completeness and purpose.

Third and Finally: When one recognizes YHVH as their YL (Most High Mighty One) and YHVHYSH as His Anointed Son that came to **earth** and redeemed mankind through His Life, Death, Burial, and Resurrection, AND chooses to become a part of the Family of YHVH. YHVH then places him in YHVHYSH to be born from above, which begins the training and preparation for ruling and reigning in the kingdom of YHVHYSH when He returns to **Earth**.

HOW DOES MAN LEARN FROM YHVH's PHYSICAL CREATION?

IN THIS CREATION, THE PHYSICAL COMES BEFORE THE SPIRITUAL

Adam, the physical man, came before **YHVHYSH**, the Spiritual Man. Therefore all of this Creation is set up to follow that order.

Because **YHVH** resides in the highest dimension, man can only know about **YHVH** and His Ways:

1...By His direct revelation into man's spirit.

2...By the revelation of His Written Word.

3...By observation of how He set up and operates this physical Creation that is "of Himself."

Before pursuing knowledge of **YHVH** and **YHVHYSH** from observation, it must be understood that because the created physical dimension is a lesser degree than the spiritual dimension of **YHVH**, an understanding of the physical is not only introductory, but essential before understanding the things of the higher spiritual dimension of **YHVH**.

Insight into the physical aspects of this (His) Creation, are the first lessons **YHVH** uses to reveal knowledge about Himself to the physical man.

Upon man's response to **YHVH**, He reveals His Son and Savior, **YHVHYSH**, and upon man's response to **YHVHYSH**, the Uncreated Life and Energy of **YHVH** is made available through choice.

It is at this time the **earth**'s environment becomes the training center **YHVH** uses to develop His man into the image of **YHVHYSH**. This process continues throughout a believer's life as he submits to each step of **YHVH**'s training.
